

EXPERIMENT 4

ROLL NO: 240701017

NAME: ADHITHYA S

Create a prototype with familiar and unfamiliar navigation elements. Evaluate ease of use with different user groups using proto.io.

Screen 1:

Splash/Landing Page for the Electro Pulse App

- **Timer saying 13:38** – Standard phone status display indicating the current time.
- **Log In Button:** A clear call-to-action (CTA) button for entering the application.
- **"Performance, parsed daily."** – App tagline providing context for the service.

Screen 2:

Sign In Page:

- **User ID & Password Fields:** Standard input boxes with high-glow borders to match the cyber-theme.
- **Robot Mascot:** A friendly UI element representing an automated assistant or guide.
- **Log In Button (⚡): Features a lightning bolt icon to reinforce the "Electro" branding.**

Screen 3:

Hall of Fame (Main Catalog): Familiar Icons:

1. **Hamburger Menu (☰) - Top Left:** * A common icon representing a collapsible navigation menu.
 - Clicking it usually opens a sidebar with options like Home, Settings, and Profile.
2. **Shopping Cart Icon (🛒) - Next to Price:** * A universally recognized icon used for adding items to a basket or initiating a purchase.
 - Displayed alongside the price (e.g., ₹ 77,479) for quick reference.
3. **Top 7 CPUs Button:** * Acts as a header and a filter toggle for the current view.

Screen 4:

Product Detail Page (AMD Ryzen 9 9950X3D):

Familiar Icons:

1. **Back to Catalog Button (<) - Top Left:** * A widely recognized icon used for navigation.
 - Clicking it takes the user back to the "Hall of Fame" list.
2. **Buy Now Button (🛒):** * A standard call-to-action (CTA) button used for confirming the intent to purchase. **Possibly Unfamiliar Elements:**
3. **Red Mascot Variation:** * A change in the mascot's expression/color that might indicate "Overclocked" or "Extreme" performance, but its function may be unclear to new users.
4. **Performance Rating (100 Points):** * A gamified metric that might be unfamiliar compared to traditional clock speed specs.

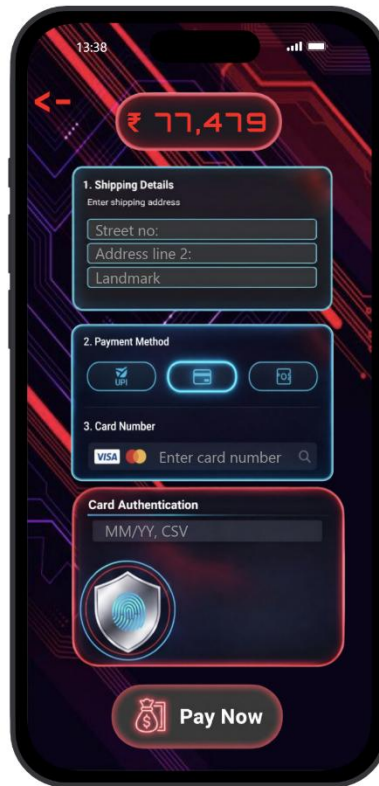

Screen 5:

Checkout / Payment Page:

Familiar Icons:

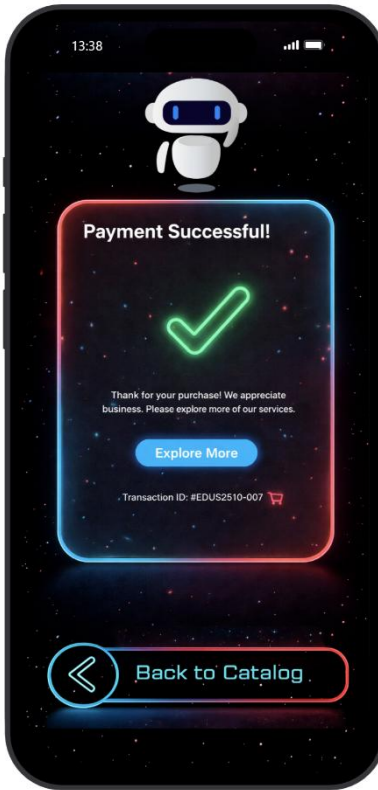

1. **Step-by-Step Navigation (1, 2, 3):** Standard UI pattern for multi-stage processes (Shipping, Payment, Card Details).
2. **Payment Method Icons (UPI, Card, Wallet):** Recognizable symbols representing different financial transaction methods.
3. **Fingerprint/Shield Icon (🔒):** Commonly used to represent security, biometrics, or "Card Authentication".
4. **Pay Now Button (💰):** The final transaction confirmation button.

Screen 6:

Payment Confirmation Page:

- **Green Checkmark (L):** A universally recognized icon for successful completion.
- **Transaction ID:** Displays #EDUS2510-007 as a unique record of the purchase.
- **Explore More Button:** A CTA to return to the catalog and continue browsing.

Screen 7: Options Menu

- **Options:** Header indicating the settings and navigation hub.
- **About / Home / Logout:** High-contrast buttons for core navigation.
- **13:38** – Standard digital clock display.
